Canadian Dairy Commission's
**Annual Report of the Minister of Agriculture and Agri-Food Canada to Parliament
on the administration of the *Privacy Act***

APRIL 1, 2016 - MARCH 31, 2017

1. Introduction

The *Privacy Act* (Revised Statutes of Canada, Chapter A-1, 1985) was proclaimed on July 1, 1983. The purpose of the *Privacy Act* is to extend the present laws of Canada that protect the privacy of individuals with respect to personal information about themselves held by a government institution and that provide individuals with a right of access to that information.

Under Section 72 (1) of the *Privacy Act*, the head of every government institution is required to prepare an annual report on the administration of this Act within the institution during each fiscal year and to table it to Parliament.

The Canadian Dairy Commission (CDC), a federal Crown corporation, plays a central facilitating role for the multi-billion dollar Canadian dairy industry. The CDC was established in 1966 with the proclamation of the *Canadian Dairy Commission Act* and reports to Parliament through the Minister of Agriculture and Agri-Food. Funded by the federal government, producers and the marketplace, the CDC strives to balance and serve the interests of all dairy stakeholders: producers, processors, further processors, exporters, consumers and governments.

As per the *Canadian Dairy Commission Act*, the CDC's legislated objectives are:

- to provide efficient producers of milk and cream with the opportunity to obtain a fair return for their labour and investment; and
- to provide consumers of dairy products with a continuous and adequate supply of dairy products of high quality.

As a central facilitator for the Canadian dairy industry, the CDC works closely with industry stakeholders represented by organizations such as Dairy Farmers of Canada, Dairy Processors Association of Canada, Consumers' Association of Canada and provincial marketing boards and agencies.

The CDC also works in co-operation with further processors, represented by the Food and Consumer Products of Canada, the Baking Association of Canada, and the Confectionery Manufacturers Association of Canada.

2. Privacy Office

At the CDC, the Corporate Secretary, who is also the ATIP Advisor, is responsible for administering all Access to Information and Privacy requests. The Corporate Secretary reports to the Chief Executive Officer. Delegated signing authority for access to information requests is assigned to the Corporate Secretary.

The Corporate Secretary is responsible for coordinating and implementing ATIP related policies, guidelines and procedures at the CDC to ensure compliance with the *Access to Information Act* and the *Privacy Act* and for providing guidance on ATIP related matters and, when required, consulting with other federal and provincial government institutions.

3. Delegation Order

The CDC's Chief Executive Officer has delegated to the Corporate Secretary the authority to oversee the administration of the *Access to Information Act* and the *Privacy Act* for the CDC and to ensure compliance with the legislation. A copy of the approved Delegation order can be found in Appendix A.

4. Multi-Year Statistical Trend Analysis

There is no multi-year statistical trend analysis in this report as the CDC either did not receive any privacy requests or, if so, they were abandoned.

5. Statistical Report

There were no privacy requests received in the 2016-2017 reporting period. A copy of the CDC's *Statistical Report on the Privacy Act* can be found in Appendix B.

6. Training

The Corporate Secretary attends ATIP community meetings hosted by Treasury Board Secretariat of Canada. No training activities were undertaken during the 2016-2017 reporting period.

7. Policies and Guidelines

The CDC ATIP policy and procedure on responding to ATIP requests are available to all employees and are posted on the CDC's Intranet. There were no other policies, guidelines or procedures implemented during the 2016-2017 reporting period.

8. Complaints and Investigations

There were no complaints or investigations to the Information Commissioner received or submitted the 2016-2017 reporting period.

9. Monitoring of Time Processing Requests

The CDC did not monitor time processing privacy request as there were no such requests during the 2016-2017 reporting period.

10. Summary of Privacy Breaches

There were no privacy breaches during the 2016-2017 reporting period.

11. Privacy Impact Assessment (PIA)

There were no PIAs conducted during the 2016-2017 reporting period.

12. Disclosures

There were no request disclosures during the 2016-2017 reporting period.
