REDESIGN OF SMCPP APPLICATION FORMS

The staff in Finance and Operations have worked hard to redesign all the application forms relating to the Special Milk Class Permit Program (SMCPP). Every application is now easier to understand and fill out. The redesigned applications will be available on MILKINGREDIENTS.CA in the "Special Milk Class Permit Program" section very soon, so keep checking!

ATTENTION MILK PROCESSORS AND DISTRIBUTORS

When supplying Special Milk Class Permit Program information guides and application forms to further processors, please make sure to use the updated versions that are available in the "Special Milk Class Permit Program" section of MILKINGREDIENTS.CA.

If you do not have access to the Internet, please contact Paula Harvey at (613) 792-2057, E-mail: pharvey@em.agr.ca to receive the updated versions by mail, e-mail, or by fax.

Also, as mentioned in the February issue of *Ingredients Mag Express*, new SMCPP agreements have been sent to further processors and to distributors for signature. For those of you who have not yet returned the original signed copy to the CDC, please make sure to do so as soon as possible.
