## CDC Sponsored Seminar Series

The Canadian Dairy Commission, in collaboration with the Guelph Food Technology Centre (GFTC), Alberta Food Processing Development Centre (AFDC), and *La Fondation du gouverneurs*, has planned three dynamic seminars for this fall. These information sessions will feature leading industry experts who will be presenting on numerous issues including:

- Industry perspectives on the use of ingredients in further processing;
- Health and wellness benefits of dairy ingredients;
- In depth market report on the Carbohydrate Craze; and
- New marketing initiatives and industry support programs.

This is just a brief overview of a wide variety of topics and ideas that will be presented at these upcoming events. To ensure you don't miss out on these information packed sessions, register today!

Whether you are a dairy ingredient manufacturer, supplier, or food/further processor, these seminars will provide you with comprehensive and meaningful information that directly applies to your business. For information on how to register, please contact:
