Time is Running Out!

The CDC's upcoming Dairy Ingredients in Food Processing seminar is drawing closer and to ensure that you do not miss out on this information packed seminar, be sure to register today. On September 30, 2004, industry experts will get together to discuss issues relating to the health and wellness benefits of dairy ingredients, the numerous applications for dairy ingredients in baking, the low-carb "craze" and the current state of the dairy processing sector.

COST:

GFTC Members: \$100 CDN
Non-Members: \$125 CDN

There is **limited registration** for this seminar, so don't delay! For further information and registration, contact the Guelph Food Technology Centre immediately:

Tel: (519) 821-1246

Fax: (519) 836-1281

E-mail: gftc@gftc.ca

On-line registration:

ATTENTION WESTERN CANADIAN COMPANIES!!

The First Western Canadian Food Ingredient Symposium is coming to Edmonton!

On October 21 and 22, 2004, industry professionals will give presentations on a variety of issues such as:

- ❖ Health and wellness benefits associated with milk ingredients;
- ❖ Lipid derived ingredients;
- ❖ Herbs and medicinal plant derived ingredients; and
- ❖ Carbohydrate derived food ingredients.

IMPORTED SALTED BUTTER

Imported butter should be available for sale by the CDC at the end of September 2004. To access this competitively priced butter, Special Class Permit holders are reminded to contact their suppliers and **not** the CDC. As usual, sales of this product are conducted by the CDC and federally registered butter manufacturers on a first come, first serve basis.

Milk Ingredients...good for your health, great in your recipes!
