Your Business, Our Commitment

In April 2005, Maria Dilay and Charles Boisvert, our two new Innovation Champions, joined the Dairy Marketing Program (DMP) team. The Innovation Champions help support the DMP by providing on-site marketing and program information and advice to Canadian dairy ingredient manufacturers and further processors in support of the market growth and innovation objectives established in the DMP. We welcome them to the team and we encourage you to contact them if you have any questions about the Dairy Marketing Program.
