### **Attention Canadian Cheese Makers**

If you haven't already done so, take a moment out of your day to visit MILKINGREDIENTS.CA to read the June 2005 and October 2005 editions of The Experts' Forum. Both editions feature articles on world cheeses that are not readily available but in demand. You'll find them at:

http://www.milkingredients.ca/DCP/article e.asp?catid=528&page=1961

These articles also contain valuable information on the Canadian Dairy Commission's **Innovation Support Funds**. These programs provide technical and financial assistance to Canadian dairy processors and further processors innovating in the manufacture and use of dairy products.

Your product ideas combined with our funding support will help satisfy consumer demand for new ethnic dairy and food products.

For more information, or to receive a hard copy or an electronic version of the articles, contact Shana Bailey Tel: (613) 792-2035
